ABOUT COMMUNITY CARE MINISTRIES

Community health, or “safety net,” clinics are community-based providers who offer health services to low-income residents, including those without insurance. Community Care Ministries is Wamego’s response to meeting the needs of people who experience barriers to appropriate, timely, affordable, and continuous health care services.

In July 2001 Community Health Ministries opened its doors to the Pottawatomie County community seeing patients for acute issues. The clinic is a valuable organization that has been serving the Pottawatomie, Wabaunsee, and now the surrounding counties for 21 years.

Community Care Ministries has grown from seeing a few patients a week for non-emergent acute issues, to providing over 5056 appointments in 2021. Community Care Ministries strives to eliminate as many financial barriers as possible to make health and dental care as accessible as possible to those in need. Not only are all services provided to patients free of charge primarily through volunteer providers, but the Community Care Ministries has several programs in place to provide additional assistance. We work with a variety of local service agencies, both to accept referrals, as well as to coordinate care and give patients access to other community resources.

Helping and healing are what excite our extraordinary volunteers, board of directors and staff. In 2021, Our 114 active volunteers and 20 staff members were committed to providing care for children and adults who are otherwise unable to obtain services.

OUR MISSION:

Empowering Community to Achieve Whole Person Wellness

OUR VISION:

We inspire individual wellness, healthy family patterns, access to health care, and enlist community members to work together for the common good.

Focusing on our mission, we will continue to provide access to health and dental care which makes a critical difference to those patients and their families. That access provides peace of mind, economic security, and services to stay healthy.

We evolve continually in our efforts to ensure that every eligible member of our surrounding communities has access to health and dental care, Yet our mission remains the same: Empowering Community to Achieve Whole Person Wellness. As always, our team will adapt to future healthcare policy changes and continue to focus on the needs of our patients. We are inspired by and thank our community donors and partners as they continue to believe in the Community Care Ministries mission and ensure our ability to serve the residents of this and surrounding communities.

OUR VALUES

- Respect all people.
- Ensure confidentiality at all times.
- Support positive working relationships.
- Provide quality and compassionate services.
- Embrace continuous improvement.
- Communicate openly and regularly.
- Teamwork: Be present, productive, and supportive.

WHO WE SERVE

Community Care Ministries provides services to those with no health benefits whose household income is at or below 200% of the Federal Poverty Guideline (please see chart below). Those with Healthwave, Medicare or other insurances must seek medical care through another physician or health care agency.

FOR MEDICAL, DENTAL AND MENTAL HEALTH SERVICES 200 % AND BELOW THE FEDERAL POVERTY LEVEL

OUR PARTNERS

	<p>The clinic collaborates with Ascension Via Christi, who donates a tremendous amount of diagnostic and surgical services to low-income patients. Ascension Via Christi also collaborates with the clinic through the Diabetic Management Program, in which it provides Diabetic Education resources to clinic patients.</p>
	<p>The Kansas Department of Health and Environment (KDHE) works to protect and improve the health and environment of all Kansans. Community Care Ministries is collaborating with KDHE for monitoring of influenza and COVID-19. We are also given COVID-19, TB, Influenza, and Strep testing supplies. Community Care Ministries has annually applied for and received the Community-Based Primary Care Clinic Grant through KDHE.</p>
	<p>We collaborate with Pawnee Mental Health to assure that our patient’s mental health needs are met. Pawnee Mental Health monitors medications and provides counseling for patients and courteously forwards progress notes so that we can maintain a continuity of care.</p>
	<p>In the past, we have collaborated with the Kansas State University Pre-Med Department, Marriage and Family Counseling Department and Financial Counseling Department to provide a variety of clinic experiences to their students. Marriage and Family Counseling and Financial Counseling students and staff volunteered time to assist patients with some mental health and financial matters. Currently, CCM is collaborating with K-State’s Physician Assistant Program to become one of their rotation sites for students.</p>
	<p>Quest Diagnostics believes that “when it comes to health, quality shouldn't be a trade-off, service shouldn't be a sacrifice, and cost shouldn't be a barrier”. Community Care Ministries collaborates with Quest to provide fast, affordable laboratory services for our patients.</p>
 	<p><i>Hormel</i>[®] Foods focuses their philanthropic efforts on three areas: hunger, education and supporting the local communities where they operate. Each year, <i>Hormel</i>[®] Foods gives Community Care Ministries \$10,000 for the Alma pantry to serve families in need in Wabaunsee County.</p> <p>The Alma Foods plant produces <i>Hormel</i>[®] refrigerated entrees, as well as food service barbeque products. Alma Foods gives Community Care Ministries approximately 300 entrée meals monthly for the Alma Pantry to serve families in need in Wabaunsee County.</p>

	<p>Community Care Ministries collaborates with The Catholic Charities network to provide service to people in need to help finding housing, pay rent, recover from a natural disaster or other event, or providing food for their family, no matter regardless of religion.</p>
<p>Pottawatomie County Health Department</p>	<p>WIC (Women, Infants, and Children) offers nutrition education and vouchers for nutritious foods to pregnant and breastfeeding women, infants, and children under five years of age who are low income and nutritionally at-risk, The M & I Program offer expecting and new mothers and family's information and education on pregnancy and healthy child development through a child's first year. Registered nurses, with pregnancy and breastfeeding expertise, offer clinic or home visits and social workers are available and knowledgeable of helpful community resources. and Provide childhood immunizations.</p> <p>Sliding Fee Scale applies</p>
	<p>Harvesters is a regional food bank serving a 26-county area of northwestern Missouri and northeastern Kansas. They create equitable access to nutritious food and address the root causes and impact of hunger. Community Care Ministries collaborates with Harvesters by coordinating a mobile food pantry once a month in Wamego, Alma, and Eskridge.</p>
	<p>Community Care Ministries is a part of the Flint Hills Breadbasket community food network which provides food assistance through community donations and volunteer support. CCM partners with FHBB through USDA (TEFAP) Commodity Program, a distribution of available USDA commodities to income eligible families that meet federal guidelines, and CSFP Commodity Program, a distribution of commodity foods to income eligible seniors over the age of 60. This is a program through USDA.</p>
	<p>Free and charitable clinics that have 501(c)3 status and do not bill payors or receive claim payments in any form, may be eligible to join the athenaGives Free Clinic Partnership Program. The program gifted Community Care Ministries complete access and use of their electronic medical record.</p>
	<p>Wamego Drug Store is the local family-owned and operated pharmacy. Owner and lead Pharmacist Chris King assists Community Care Ministries with finding medications for patients and serves as our Pharmacist in Charge in our Wamego and Alma location.</p>

The Friendship House is a local restaurant and popular caterer that offers amazing "Home cooking just like Grandma makes" food, whether from our bakery or the grill. Their catering operations to include caterings in towns 60 miles or more away serving 300 or more guests at a time. owner and Head Chef Jake Trummer, donates cooked foods weekly to our pantry for our clients.

Between July 1, 2021, and June 30, 2022, Mr. Trummer donated 1702 pounds of prepared foods to Community Care Ministries for a total of \$2894.

Hy-Vee values corporate giving, but each store tailors charitable contributions to meet the needs of their local communities. Hy-Vee is combats food insecurity across its eight-state region by supporting the increased need to replenish food and supplies at local food banks. Hy-Vee Manhattan Kansas donates breads and bakery items to Community Care Ministries weekly for our food pantry.

Between July 1, 2021, and June 30, 2022, Hy-Vee donated 3264 pounds of bread and bakery items to Community Care Ministries for a total of \$5548.

Papa John's supports communities as they work for equality, fairness, respect, and opportunity for all, supporting organizations that share their commitment to diversity, equity and inclusion and driving change in our communities. Papa John's philanthropic approach focuses on three areas that represent the purpose of their mission and reflect Papa John's corporate values and expertise: Youth Leadership & Entrepreneurship, Food Security and Food Waste Reduction. Our local Papa John's location donates personal pizzas twice a week.

Between July 1, 2021, and June 30, 2022, Hy-Vee donated 1121 pizzas to Community Care Ministries for a total of \$5600.

20210 - 2022 Donors

Each year, Community Care Ministries would like to recognize all of our donors. Your contributions are the reason we are able to do what we do. This past year, our annual audit showed that Community Care Ministries uses 90% of all funding for client assistance and services. Thank you to all of your for allowing us to help those in need in our community!

SURROUNDING COUNTIES

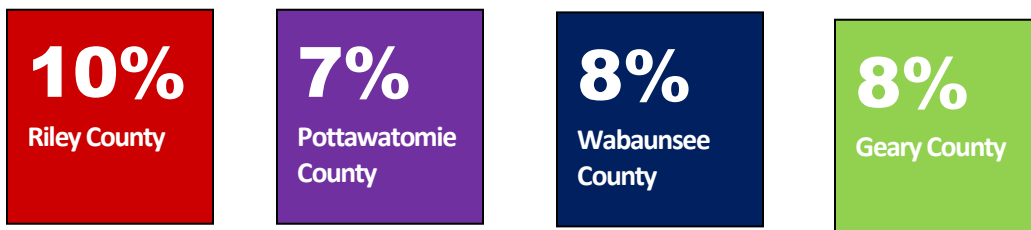

One of the challenges the clinic has faced is a decline in patient numbers. There could be many factors contributing to this including but not limited to;

- Limited region of service – The clinic had seen patients which reside in Pottawatomie County or Wabaunsee County only.
- Clinic Exposure
- Very transient population

In May 2001, the decision was made to open region of service of the clinic. We have reached out to surrounding counties in an effort to expand our services to those in need. Below you will find information of those counties as well as Riley County with respect to patient care needs.

COUNTY DEMOGRAPHICS

Percent of Residents Under the age of 65 that are Uninsured (Kansas Health Institute)

FOOD INSECURITY

Food insecurity is an economic and social indicator of the health of a community. The U.S. Department of Agriculture (USDA) defines food insecurity as limited or uncertain availability of nutritionally adequate foods or uncertain ability to acquire these foods in socially acceptable ways. Poverty and unemployment are frequently predictors of food insecurity in the United States. A survey commissioned by the Food Research and Action Center (FRAC) found that one in four Americans worries about having enough money to put food on the table in the next year. Food insecurity is associated with chronic health problems in adults including diabetes, heart disease, high blood pressure, hyperlipidemia, obesity, and mental health issues including major depression (Kansas Health Matters).

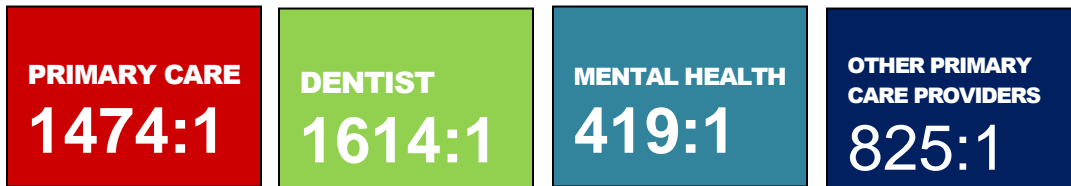

RILEY COUNTY:

Population: 72,208

2022 County Health Outcomes Rankings: 9th (County Health Rankings and Roadmap)
7TH Largest County in Kansas by population, and 82nd by land mass (USA.com)

COVERAGE:

Clinician to Patient Ratios (Data USA)

POVERTY BY AGE AND GENDER (Data USA):

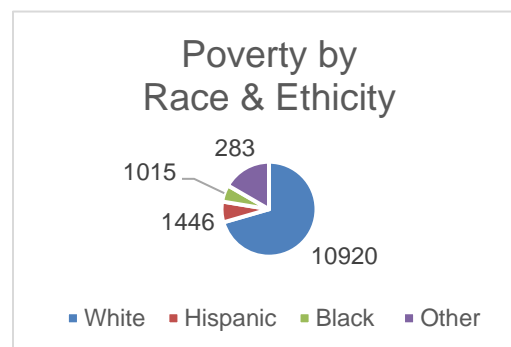

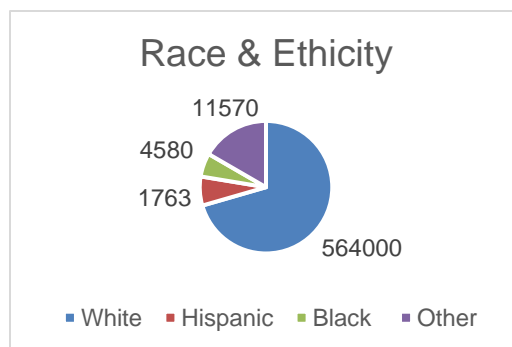

22.7% of the population for whom poverty status is determined in Riley County, KS (14.6k out of 64.4k people) live below the poverty line, a number that is higher than the national average of 12.8%.
